TO BE COMPLETED BY THE CHILD'S PARENT/GUARDIAN

I grant the nurse, head of camp, summer school principal or his/her designee the permission to assist or perform the administration for each medication or treatment/procedure for my child during the summer program day including when he/she is away from property for official events.

Note: * Prescription medications must be supplied in the original container. Ask the pharmacist to divide medication into **2 labeled containers**, one for home **AND** one for the nurses' office.
* Summer personnel may administer only prescription medications/treatments authorized by a physician.
* It is your responsibility to notify the summer program when there is a change in medication/treatment regime.

I understand that (1) there is no liability on the part of the summer program, its personnel, or agents, and hereby release and waive any claims or actions against such persons or entity as the result of the administration of this medication to my child when the person administering the medication acts as an ordinarily reasonably prudent person would have acted under the same or similar circumstances; (2) this medication must be brought to the summer program only by a responsible adult; (3) this medication must be in its original labeled container; (4) this medication will be destroyed if it is not picked up within one week following the above stop date or one week after the close of the current summer session, or when prescription expires, whichever occurs first. I hereby authorize the exchange of medical information regarding my child's treatment plan between the physician and campus health personnel.
